[6:13:43 PM] [2:35] Todd: it's all about jobs here' s how it works the businesses get a tax break to come here in return they invest in infrastructure and create jobs the employees pay income tax and everybody wins. Oscar Bedolla is the director of the city's department of community and economic development he knows all investing is risky and as he showed me the city is gambling with a lot of your money sometimes with big payoffs. Two 1/2 years ago the city agreed to give General electric more than \$35,000,000 in return GE spent \$90,000,000 to build this operations center at **THE BANKS** and promised to create up to 1800 high paying jobs.
