

ITB# 037-26- Hamilton County Paycor South Vertical Transportation – Architectural and MEP

Addendum # 1

May 8, 2026

To All Registered Vendors:

Question: Is it possible to get an extension on the bid date for this project, even just for a couple days? With this bidding right after a holiday weekend, there will be an issue with getting subcontractor coverage as well as required documentation from them to submit our bid.

Answer: The Bid Opening Date has been extended to May 29, 2026 @ 11:00 AM.

Sincerely,

Jill Williams
