

**RFQ# 004-25 – The Banks Urban Planning and Design Services
Addendum #4**

January 14, 2025

To All Registered Vendors:

We wanted to kindly request a possible extension of the submission deadline. Any adjustments you could make would be greatly appreciated by our team, who is eager to submit their best work for your review. Thank you kindly for your understanding and consideration.

We apologize, but due to the timing of upcoming 2025 private development at The Banks project, we are not able to extend the January 30, 2025, Urban Planning and Design Services RFQ/RFP submission deadline.

Sincerely,

Jill Williams
